be reappointed for another term of four
years. Secretary Whitney is in favor
of rotation among naval officers, but
these cases are notable exceptions to
that rule, on account of the excellent
service rendered by them, and their
entire mastery of the duties of their
respective bureans.
Commodore Walker is next to the
Secretary in the management of affairs
of the Bepartment. He has charge of
the details of all officers and his services
could not well be dispensed with. Com-

CONSTANTINOPLE, October 21.—The Porte has decided to send troops into Eastern Roumelia, without a European mandate. Various diplomats consider the aspect of the situation very serious, and fear that the Turkish circular discussion of the matter by ambassadors, and the action of Servia may impart a European character to the Bulgarian question, which the Powers desire to localize. The Porte, however, will not admit that it is only a local question.
